BORN IN THE HIGHLANDS... MADE IN THE TOWN OF TEQUILA

From the beginning, Don Jorge Salles Cuervo focused his quest to create the finest tequila through combining the naturally sweeter Blue Agave from the Highlands of Jalisco with the mineral rich volcanic spring water straight from El Volcán de Tequila.

AGED FOR SMOOTHNESS ~

All of our tequilas are aged in a variety of different sized barrels to produce tequilas with real character and a soft finish. Our Cristalino tequila is rested for 5 months in American Oak.

GREAT TASTE + REDUCED WASTE ~

El Tequileño takes pride in our sustainability efforts. 98% of our distillery residuals from production are recycled and turned into natural fertilizer for our next generation of agaves.
