EL TEQUILEÑO REPOSADO

El Tequileño Reposado begins with the most premium agaves exclusively matured in the Highlands of Jalisco. These are then combined with the mineral rich water from El Volcan de Tequila and distilled in copper pot stills. Aged for 3 months in large American Oak barrels resulting in a balanced, and unique combination of aroma and flavor. Sweet notes of vanilla and light oak on the nose and complex layers of cooked agave, tropical fruit, vanilla, caramel and sweet oak on the palate.

HISTORY

Named in honor of the people of Tequila, El Tequileño was founded in 1959 by Don Jorge Salles Cuervo with a vision to create only the finest tequila. Sixty years later, El Tequileño is made in the same place using the same recipe by the grandson of Don Jorge.
